POWILLYA

The image features the word "POWILLYA" rendered in a 3D, light-colored wood-grain font. The letters are thick and blocky, with a natural wood grain texture. The 'P' is a simple block letter. The 'O' is a solid ring. The 'W' is formed by two 'V' shapes joined at the top. The 'I' is a simple vertical bar. The 'L' is a simple block letter. The 'Y' is a simple block letter. The 'A' is a simple block letter. The final character is a stylized logo consisting of a semi-circle on the right side, with a diagonal line crossing it from the top-left to the bottom-right. Inside the semi-circle, there are several small circles of varying sizes, some of which are partially obscured by the diagonal line. The entire logo is set against a dark, textured background that resembles cracked stone or concrete. The lighting is dramatic, coming from the top-left, casting soft shadows and highlighting the wood grain and the texture of the background.
